## A Note from the Principal

Christmas spirit filled the campus last month as we had many events take place. It was a great time of celebration as the carrots were harvested, the drama class performed, and the students sung Christmas songs to honor the birth of our King!

The Christmas play was adorable and truly showcased the skills that the students had been working on.

Another exciting moment this December was finding out that our Warrior Soccer Team is now ranked #1 in the Valley! We are incredibly proud of all of their hard work. Here's to another month of Warrior activities. Thank you all for your continued support and prayers.

Go Warriors!
