Good morning FCA Families.

"Due to the delays, processing issues, and the close of Dennis Uniforms' Fresno store, FCA will begin allowing solid-color uniform polos and solid color uniform style bottoms to be purchased from any store or location. This change will take effect immediately and will be the new normal for FCA. The color requirements for each grade level will not change. Dennis uniform items, for those of you who have received yours, will always be an acceptable option. Light blue/white solid color polos and navy-blue bottoms for elementary will remain the same. Any solid-color polo and solid-color uniform bottoms for junior high will remain the same. A maroon shirt will still be required for everyone on Fridays. We have reached out to some of our families who have had success finding solid color polos and bottoms, that match our school colors, and they have mentioned the following places:

Old Navy

Children's Place

Amazon

As long as the colors are a close match and the bottoms/skirts/shorts/etc. remain a uniform material, they will be acceptable to wear at FCA. We are excited for this change and believe it will be a huge convenience and financial blessing to everyone.

If you have any questions, please call the office, thank you!"
